

BRIAN BLACKWELL INVESTIGATIONS

Call toll free 1-855-445-1742 | Seattle and Tacoma, Washington

Licensed and Bonded – Agency License 2045

Brian Blackwell Investigations is an industry leader in providing private investigation services to the general public, insurance companies and legal community. Experienced and knowledgeable professionals in locating defendants, witnesses, heirs, long lost family members, and at solving some of the most challenging cases, with clients all over the United States and in Canada, England, India, Japan, Australia and the Philippines.

Brian Blackwell has been working as a private investigator since 1993, having had agencies in Denver, Colorado, and Las Vegas, Nevada, besides Seattle, Washington. Licensed and bonded private investigator, registered process server.

Surveillance Services

When your intuition tells you that something is wrong, you are usually correct. Maybe you suspect your spouse is cheating on you or an employee is committing worker's compensation fraud. We provide you with the answers necessary to make sound decisions. We provide surveillance for:

- Insurance Claim Investigations
- Workers' Compensation Claims
- Fraud and Litigation Cases
- Infidelity and Cheating Spouse
- Video, date & time stamped photographs

Skip Tracing

When you can't find someone, our team is here to help. We track down:

- Missing Family Members, Heirs
- Deadbeat Parents
- Defendants and Witnesses
- For Serving Legal Documents

Litigation Investigations

Our team performs all criminal and civil trial preparation investigations, including worker's compensation claims, fraud claims, civil liability, criminal liability, negligence, domestic case services.

Process Serving

We provide fast, accurate process serving services. We are capable of serving documents at a substantially lower fee than our competitors. Our many years of experience help us find those hard to locate individuals, allowing you to focus on your real work. We provide dogged determination in locating hard to find individuals.
